**What-If** – users can generate and view the same information they would see on their Degree Progress page, but for a different Career/Program/Plan Scenario and/or with additional courses completed

### What-If ⚙️

**WHAT-IF SCENARIO**

You may be thinking of changing your program of study and wonder how that change would affect your progress. You can use this component to set up and request a simulated or "what-if" advisement report based on alternate programs of study. Select the Create New Report button to set up your what-if scenario.
